# 2023

The month of May is dedicated to Mary, the Mother of God

The month of May is dedicated to **The Blessed Virgin Mary**. The first 23 days fall within the liturgical season of **Easter**, which is represented by the liturgical color white — the color of light, a symbol of joy, purity and innocence (absolute or restored). The remainder of the month (beginning the Monday after Pentecost) is in **Ordinary Time** which is represented by the liturgical color green. This symbol of hope is the color of the sprouting seed and arouses in the faithful the hope of reaping the eternal harvest of heaven, especially the hope of a glorious resurrection.

***Fresh Fruit & Salad will be served daily with the main menu.***
