

# SHARE YOUR FAMILY CUISINE!

St. Joseph's Parish is an amazing community with lots of ethnic diversity. We want to celebrate your culture through your cultural food traditions! We are looking for families to auction off a dinner for 6+ people that your fellow St. Joe's Families can bid on during the annual auction. Last year's family dinner donors were out of this world! A gift certificate will be given to the winning bidder with your name and contact information. The dinner will be held on a mutually agreed upon date and time for the cuisine of a lifetime
