

# New Protocols for Conferences

Dear Parents,

The teachers felt that it was important to meet face-to-face for conferences this year. The following is a list of protocols that **MUST** be followed.

- For grades K4-5<sup>th</sup> we are asking that only **ONE** parent attend the conference. The students will **not be attending** this conference.
- For grades 6-8 we ask that only **ONE** parent attend the conference along with his or her middle school student.

We have made these decisions to limit the number of people in the building. We ask that **no other siblings** be in the building during conference times.

- Masks will be required and temperature checks will be taken at the door.
- Please be **on time** for your conferences. It is also important that we stick to the allotted conference times.
- When your conference is complete, we ask that you **leave the building**.
- If you have concerns regarding attending these face-to-face conferences, please email your child's/ren's teachers.

Thank you for your cooperation with these protocols.
