And he said to them, “Thus it is written that the Messiah would suffer and rise from the dead on the third day” Luke 24:46

Easter Sunday starts the Easter season, marks the end of Lent and is the last day of the Holy Week which is also known as the Easter Triduum (Holy Thursday, Good Friday and Easter Sunday).
Easter Sunday is the day Jesus rose from the dead. After his death on the Friday, his body was removed from the cross and his body was placed in a tomb and covered with a large stone, guarded by Roman soldiers. When Mary Magdalene visited the tomb on Easter Sunday, she found that the stone had been moved and the body of Christ had been removed. Jesus was seen later in the day by Mary and some other disciples. Jesus was raised from the dead by God as a sign of acceptance for his sacrifice, and that mankind is forgiven of its sins and will have eternal life in heaven.
