

# NEWSFLASH!!!!

## ATTENTION 11th/12<sup>th</sup> GRADE PARENTS ~ NEW IMMUNIZATION REQUIREMENTS FOR 2018-2019 SCHOOL YEAR

The State of Ohio is **REQUIRING** an additional Meningitis booster **BEFORE** your child starts 12<sup>th</sup> grade.

### **Please Prepare Now:**

- Check your child's immunization record.
- Last Meningitis booster must be given on or after **age 16** IN ORDER TO BE CURRENT.
- If not current, plan a doctor or clinic visit before the start of school in the fall (**8-16-2018**)
- As soon as your child is current, provide the date of the meningitis vaccine or copy of immunization record to the School Nurse.
- **EACH HOME SCHOOL WILL HAVE AN EXCLUSION DATE in which you will not be allowed to attend DACC if excluded by homeschool due to not having this vaccine. These are the exclusions dates we have received so far:**

- Westerville                      September 6, 2018
- Buckeye Valley                September 6, 2018
- Delaware Hayes               September 14, 2018
- Worthington                   September 24, 2018
- Olentangy                       September 28, 2018
- Big Walnut                     October 1, 2018

**Student Name** \_\_\_\_\_

**Date of Menactra or Menveo  
(MCV4 vaccination)** \_\_\_\_\_

**Parent Signature** \_\_\_\_\_

## **Where to Get it**

Be sure to take your child's immunization record with you to the clinic

**Delaware General Health District will be providing immunizations at the DACC open house scheduled on August 16<sup>th</sup> from 4:30-7:30 PM.**
