Down To Earth® Premium Quality All Natural & Organic Fertilizers

Features & Benefits of Our Boxes

Paper Over Plastic

Our boxes are the perfect compliment to solving the issue of packaging our 36 varieties of premium quality, all natural fertilizers.

Mini Boxes Make It Easy

Our Mini boxes come in 15 varieties of single-ingredient and mixed-blend fertilizers, making them an economical and convenient option for small spaces and unique endeavors.

Solutions for Everyone

Down To Earth® fertilizers are designed with the ardent gardener in mind, with small and large bags for the avid grower, small farmer or commercial crop producer.
