Early Buy shipments are routed at the discretion of Down To Earth® with consideration given to requested ship dates.

Talk to your Salesperson for shipping details. Prices subject to change. All discounts depend on timely payment. Receipt of this supplement does not constitute acceptance into the Early Buy Program. Down To Earth® reserves the right to cancel Early Buy backorders. This program is confidential information. Adverse weather may restrict our ability to ship liquids on time.

***Early Buy Dating Payment Terms**

Credit card customers will have Early Buy discounts deducted at time of shipment. Terms customers will need to pay invoices within terms to receive the Early Buy discount. If invoices are paid with a credit card after shipment they will incur a 3% charge, but will still be eligible for the Early Buy discount if they are paid in full before the due date.

All Early Buy Orders MUST be Placed by NOVEMBER 10, 2025

Down To Earth® Premium Quality All Natural & Organic Fertilizers

Features & Benefits of Our Boxes

Paper Over Plastic

Our boxes are the perfect compliment to solving the issue of packaging our 36 varieties of premium quality, all natural fertilizers.

Mini Boxes Make It Easy

Our Mini boxes come in 15 varieties of single-ingredient and mixed-blend fertilizers, making them an economical and convenient option for small spaces and unique endeavors.

Solutions for Everyone

Down To Earth® fertilizers are designed with the ardent gardener in mind, with small and large bags for the avid grower, small farmer or commercial crop producer.
