Our Mission

Interfaith Community Partners is a non-profit organization with a mission to maximize the independence and well-being of older adults by enabling connections with others in their community. We currently serve Lyons Township and parts of Proviso and Riverside Townships.

Over 100 volunteers provide accompanied transportation to medical appointments, therapies, and life-enhancing errands such as the grocery store, bank, hairdresser, and church. We also partner with local libraries to provide homebound delivery service. Our Petal Pusher program takes gently used, donated flowers to repurpose into small vases which we deliver to our clients and business partners.

There is no cost to our clients, although donations are always appreciated.

After a year and a half of living in a new senior living facility and coping with the loss of her husband, Donna faced a predicament. She had medical appointments that her facility could not provide transportation for and she could not afford the cost of paid rides. Interfaith was a lifesaver for her. ICP partners with Donna's son to provide weekday transportation while her son and daughter-in-law provide weekend rides for her. Donna greatly appreciates the dedication of ICP drivers. The convenience and dependability of the drivers is something that is so unique for her. There was a time when one of her doctor appointments ran over the time allowed, but her driver stood by her side until she was finished, then took her home. It made her feel safe to know that someone took their time to wait with her. "I am so thankful for Interfaith; I'm not sure what I would do without them."

—Donna, 84, Client

Driving Independence for Older Adults
