

THANK YOU, ECDS FAMILIES!

Because of you, we've made incredible updates this summer!

Thanks to the support of our ECDS community and the funds raised at the Spring Auction, we've made meaningful improvements that make ECDS safer, stronger, and more welcoming than ever.

A lot has been happening at ECDS this summer! From major safety and communication updates to refreshed spaces throughout the building, we've been busy cleaning, clearing, reorganizing, and making thoughtful improvements for the year ahead.

HIGHLIGHTED SPACES

NEW WELCOME DESK

A new welcome desk in the lobby creates a central point for greeting and checking in visitors—supporting a safer, more secure building for our students and staff.

NEW ADMISSIONS OFFICE

We've created a welcoming admissions office, providing a dedicated space to connect with prospective and current ECDS families.

DEDICATED TUTORIAL SPACE

The former office has been transformed into a dedicated tutorial space, providing a comfortable setting for individualized learning and support.

OTHER IMPORTANT UPDATES

EXTERIOR DOOR & ACCESS IMPROVEMENTS

Exterior doors throughout the building received updated hardware, and a new access control system has been installed. This allows the school to better track and manage who enters the building.

SECURITY CAMERA IMPROVEMENTS

We're improving our existing camera system with increased video storage, repairs to several cameras, and relocation of the front camera for better coverage and security.

NEW PHONE & SCHOOL-WIDE COMMUNICATION SYSTEM

A new phone system is now being installed throughout the school. Each classroom will have its own extension, and additional speakers allow us to make school-wide announcements instantly in an emergency. This system matches other Town of Easton facilities, as recommended by the Fire Marshal.

UPDATED OT ROOM & SENSORY SPACE

We've updated the OT room, creating new sensory spaces and added an updated 'shoes off area' before entering to support a safe experience.

You make this possible!

These updates wouldn't have been possible without you—our generous, supportive ECDS community. You help make our school a place where students, staff, and families thrive.
