

2023 Regina High School Party After Prom

hosted by the Regina Class of 2024

Regina Party After Prom Committee is seeking donations for the 2023 Regina Party After Prom that will be held on April 22, 2023. We are thrilled to host this safe and memorable event for our Regina high school students and their guests.

Our committee is seeking monetary donations, gift certificates, and/or donated merchandise from your or your business. All items donated will be used to fund the party's entertainment or be distributed to the students as prizes throughout the evening.

Thank you for helping us make the 2023 Regina High School Party After Prom the "can't miss" event of the year! This party is funded solely on donations and organized by parent volunteers, so any level of support for entertainment and prizes will make the event a great success.

Thank you for your consideration,
2023 Regina Party After Prom Committee
