

FOSTERING EARLY LEARNING CHAMPIONS

JOIN A ZOOM POD!

Child Care Resources is creating "Advocacy Pods" consisting of providers, families, FFN caregivers, CCR staff, board and community members who all live in the same legislative district. Pod members will attend a zoom meeting with the legislators of their district at some point between the last weeks of February and the beginning of April. As a pod, you will have the opportunity to meet, get to know each other and practice speaking on [CCR's 2021 Legislative Agenda](#) before meeting with your legislator.

We hope this will offer the CCR community a unique and fun way to connect and build lasting relationships between each advocate and their legislator!

If you're interested in participating, [please register here.](#)

After you've registered, you will receive an invite to CCR's Advocacy Kick-Off Rally on Feb 17th. This will be an opportunity to learn more about CCR's advocacy plan for 2021, dive deep into the legislative agenda, and meet your pod-mates.
