

Dear Child Care Provider,

We're writing you today, to let you know about a vaccination pop up event coming up in Kent this month!

As a child care provider, you are specifically invited to this event. If you are interested in scheduling an appointment, please connect with your Child Care Resources Coach. If you don't have a coach, you can call our Child Care Resources' Provider Support Line at **1-800-446-1114**.

**Please see additional information below:**

---

**Location:** [Hillside Church, 930 E. James St, Kent WA 98031](#)  
**When:** April 17, 2021 (first dose)  
-May 8, 2021 (second dose) They will confirm on site.  
**Patients:** Childcare providers, World Relief staff and volunteers  
**Vaccinators:** [HealthPoint](#)  
-the **Pfizer** Vaccine will be provided  
**Support Org:** [Public Health – Seattle & King County](#)  
**Time:** 10-12, 12-2, and 2-4

You will need to bring the following to the vaccine event:

- **Identification** with date of birth: state, tribe, or federal-issued ID. A billing or bank statement with your name and address can also be used. Employee ID can be used if you are Phase 1a eligible (including childcare providers). Please note, 1 form of ID is all that is being asked for, not all these things.
- **Wear short sleeves** or loose-fitting sleeves that are easy to roll up so that you can get vaccinated in your upper arm.

---

Again, if you are interested in scheduling an appointment at this event, please connect with your Child Care Resources Coach **TODAY**. If you don't have a coach, you can call our Child Care Resources' Provider Support Line at **1-800-446-1114**.
