TRUSTING GOD IN NEW WAYS *Marveling at His Provision*

LINDA'S DESK

Trusting God in New Ways

As we stepped into 2025, our hearts were full of plans and prayers. One of our biggest goals was to open a new office in Peel. For years, we've served clients from Peel, but the distance from our nearest offices made it hard to care for women and their families as well as we desired. Throughout 2024, we met with donors, agencies, and churches in Peel, conducted a feasibility study, and prayed for clarity. When financial support came in last year, we believed God was leading us forward in 2025 to open this new office.

Still, there were many unknowns—location, office setup, staffing, church partnerships, and volunteers. We knocked on doors, made phone calls, and asked God for help every step of the way.

Marveling at His Provision

God answered in ways beyond what we imagined. The office came together beautifully, thanks to generous donors and volunteers who wanted to make it warm and welcoming. Local government and community agencies offered helpful advice, and church volunteer teams stepped in with enthusiasm.

We launched with a three-day schedule in September, expanded to four days in October, and now operate six days a week! From day one, we've been serving those we were called to help—women and men facing pregnancy decisions. In just a few months, we've cared for over 100 people, plus their children.

All our offices are thriving, with staff and volunteers sacrificially serving and making clients' concerns their own. Even more encouraging, families are seeking spiritual support—asking for prayer, Bibles, and connections to local churches. Some have even become baptized members of those communities!

"And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work."

- 2 Corinthians 9:8

God works in marvelous ways. We are grateful for our support community, who are generous conduits of his love. We pray that our eyes will be opened to see more of His wonderful work in the lives of many as we extend help and hope to those making pregnancy decisions in 2026.
