People of Hope ... Vigorously Making Known the Love of Christ

September 14, 2018

Valley Lutheran High School

Saginaw, MI 48603

Dear John,

It is a joy to receive the outstanding news of the plans at Valley Lutheran High School to build four science labs, move the art, music, and athletic programs to larger spaces, and provide a security vestibule for the student's safety! Regrettably, Pat and I are unable to attend due to previous plans but on behalf of the Michigan District, we offer our congratulations to Valley Lutheran High School. We pray that God will bless this new expansion and give the students better resources to prepare them for service in their communities and the opportunity to share Jesus with others around them.

Keep in your mind and hearts the words shared in 1 Corinthians 3: 9-11; *For we are co-workers in God's service; you are God's field, God's building. By the grace God has given me, I laid a foundation as a wise builder, and someone else is building on it. But each one should build with care. For no one can lay any foundation other than the one already laid, which is Jesus Christ.*

May this new expansion fill your heart with joy, assured that God will be with you in the future as He has been in the past. May you be filled with hope and peace as you continue to share the Good News of Jesus at Valley Lutheran High School and the Saginaw community.

In Christ,

✠
