## ART & SUPPLY STORE UPDATE

Thanks to the many of you that donated to make our Art & Supply Store come to life. We received more than 95 generous donations, including the close-out funding from Rachel Keesling's election campaign. We raised slightly more than \$50,000. which was matched by the Patterson Foundation through its Margin & Mission Ignition Initiative giving us slightly more than \$100,000 toward our \$125,000 goal. The VAC was closed during the last two weeks of December while a transformation occurred, including a new Library, space for an Art & Supply Store, and a restructuring of our Administrative Space. We are putting the final touches in place for the store. Art supply inventory is beginning to arrive and we hope to have class kits, art supplies and VAC logo items on display and available for sale by February 15th. If you haven't had a chance to see our changes, please stop by so we can give you a tour.

Constance Robison, Michael Oxman, Donna Peterman, Stacy Calvino, Rachel Keesling, Alexia Martin, Janet Watermeier

So what's next? As additional donations are received during this season, we will complete a \$1 per item Snack Bar, add rental lockers for members, and create a permanent new classroom within Goff Gallery. So far we have raised 80% of what is needed, with only \$25,000 to go.

First class supplies for Karolyn Camara

If you would like to help us reach our goal, donations in any amount are appreciated. Please watch for my email announcing a special meeting in February to provide a progress update, a look at future improvements and to receive a copy of our business plan,

*Janet*

## FIND IT IN THE LIBRARY

Have you heard the news? We have moved! You can now visit us in our new home located next to Classroom 5. In December a group of our volunteer librarians packed up 100 boxes of books so the shelves could be relocated. The following week our volunteer librarians came back to empty all 100 boxes into their new home. We are all very excited to have our members, teachers, students, and guests come visit us in our new home. We may have a new location but you will still find all the best the library has to offer; a wide variety of art books, DVDs and current art magazines nestled into a cozy corner of the VAC. Your volunteer librarians are there to give you a tour and help you make your selections. Please stop by to say hello and enjoy our new space. See you soon.
