Inventory List for Gift Shop Items and Bin Work: (bring when you deliver your work)!

You may enter items as space allows. Bin work is included as a part of the gift shop but the bins will be located in the main show area. Artists **MUST** provide their own bins. All items must be listed on your inventory sheet and be marked with the code described below. This inventory list is important so that sales of your items are accurately recorded and you get paid. Gift items and bin work are both listed on the same inventory sheet.

Gift Shop/Bin Work Code: Three initials of entrant’s name plus the inventory number beginning with number 1.

Example: For Susan M Steven the codes are SMS-1, SMS-2, SMS-3, etc.

We suggest that gift shop items should not be larger than 11 x 14”. Anything larger should be considered bin work and should be placed in the bin work area in the main exhibit hall. You must bring your own bins. If cases are required for display of jewelry in the gift shop, you must bring your own. **All gift shop items must be the artist’s original work.**
