Saturday, September 27, 2025—via Zoom
10:00am-12:00pm Central Time

Please join us for the Province VI ECW annual meeting. The staff and members of Magdalene Omaha will be our presenters. Magdalene Omaha, initially modeled after Thistle Farms in Nashville, is a community of survivors of sexual violence and allies who are committed to Magdalene Omaha's mission, approach, and 5 organizational values: Survivor-Centered, Community, Love, Resilience and Growth. See more about their work at <https://www.magdaleneomaha.org/>

To register please scan the code below. It will lead you to our form. **Please enter your preferred email address. You will receive an email a few days before the meeting with the zoom link.** We are also asking for a small donation of \$25.00 to help with our costs, and for a donation to Magdalene Omaha. Please send the donation to Amy Mayes, 510 Spyglass Cir., Riverton, Wy 82501

During our time together we will have our presentation, and a brief annual meeting, where we will elect a new treasurer, and approve by-law changes, along with some brief reports. If you are interested in the treasurer position, please contact Beth Agar at bethagar@live.com. Our By-laws are located on the Province VI website—**provincevi.org**.

Because we are meeting via Zoom, our National ECW President, Lisa Bortner will be joining us for at least part of our time together.
