

Data Privacy Community Workshop Newsletter Blurb

NEWSLETTER BLURB

Add in your newsletter this blurb to promote the Data Privacy Workshop.

Interested in learning about data privacy practices in Long Beach? 

Learn how you can protect your online personal information and explore the tools the City of Long Beach has created to protect data privacy and strengthen your digital rights. The workshops will inform the public on our approach to data privacy, enhance the visibility and engagement with the City's data privacy products, and develop practical skills to protect data while navigating the ever-changing landscape of our digital world.

Register for one of our data privacy community workshops [here](#) or at lbcity.info/dataprivacy

 T 9/17/24 @ 6pm – Houghton Park

 W 9/18/24 @ 6pm – Veterans Park

 Th 9/19/24 @ 6pm – Silverado Park

Food and refreshments will be provided. For interpretation requests please let us know in advance to best accommodate.

For questions or accommodations please contact Omar Moncayo, Data Privacy Analyst, omar.moncayo@longbeach.gov
