

Dear Community Member,

We would like to take this time to say thank you for support for the event.

We understand that it can be frustrating on race morning when parking and roads are impacted. The event is a community-oriented event with a portion of every entry going back to our official charity, Century Club of Long Beach.

Since the course may impact your location, we wanted to give you an advanced notification to allow you to make preparations for the event.

All residents will have ingress and egress to their homes and businesses during the event.

Even though residents will have ingress and egress to their homes due to the nature of the event, there will be traffic delays.

The police, as well as the race organizers and crew, will try to minimize the delay times as best as possible.

Additionally, police will do a "rolling re-opening" of the course which means the streets will be reopened to traffic once the last athletes have passed a certain area on the course.

Bayshore Ave and 2nd Street areas will be opened to traffic first to permit normal traffic flow.
