**New Rates for Services:** Due to rising costs and limitations in our funding, we are unable to maintain the same cost subsidy for our services.

Fit Testing	\$40/\$78*
Review OSHA Questionnaire for Medical Clearance	\$35
Physical Exam	\$105

*\*\$78 fit testing fee applies to farms with annual gross receipts greater than \$350K or 1,000 or more milking cows*

**New Policy:** NYCAMH must have proof of medical clearance in hand before a worker can be fit tested.

**Streamlined Process:** No blood pressure or peak flow readings

Call **800-343-7527** or  
email **fittest@bassett.org**  
to schedule an appointment or  
if you have any questions.

\*\*\*To ensure that we are fully prepared for each clinic,  
we will need names and respirator information
