8:15am – Zoom Webinar Open

**8:30am CPE - *An Economic Update and Outlook 2023-2024, including Energy Outlook presented by Steven C. Agee***

**CPE: 1 Hour**

**Field of Study: Economics**

**Prerequisites: None**

**Program Level: Basic**

**Advanced Prep: None**

**Learning Objectives - attendees will be able to:**

- Understand the economic impact of the pandemic and fiscal stimulus
- Understand the current situation with interest rates and inflation
- Learn about energy industry transitions

**Speaker Bio:** Dr. Agee is an economist specializing in oil and natural gas exploration and production, electric power generation, energy policy, banking, monetary policy, and macroeconomic theory. Having served in the private sector for thirty years as Founder, President and COO of oil and natural gas exploration and production companies, Dr. Agee has the unique combination of academic and private industry experience to administer, teach, design and implement new programs and speaker's series in the energy field. In addition, having served six years (2006-2011) on the Board of the Federal Reserve Bank of Kansas City, Oklahoma City Branch, the last three as its Chairman, Dr. Agee has enormous contacts and resources in the banking industry, and has taught Money & Banking at Oklahoma City University.

**9:20am – 10 Minute Break**

The Greens Country Club 13100 Green Valley Drive, Oklahoma City, OK 73120

**9:30am CPE - *Oklahoma Tax Update presented by Tony Mastin***

**CPE: 1 Hour**

**Field of Study:** Taxes

**Prerequisites:** None

**Program Level:** Basic

**Advanced Prep:** None

**Learning Objectives - attendees will be able to:**

- Understand the latest information related to legislation enacted by the Oklahoma Legislature during the 2023 Legislative Session
- Learn about amendments concerning the administration of various taxes by the Oklahoma Tax Commission
- Understand the various audit practices of the Oklahoma Tax Commission

**About Tony:** Tony focuses his practice on advising individuals, high net worth families, tax-exempt organizations, and businesses of all sizes on planning matters involving state and local taxation (SALT), including sales and use taxes, multi-state taxation, and SALT controversy work. He is a member of the Independent SALT Alliance (ISA). A portion of his practice is also devoted to assisting developers, investors and businesses in obtaining and maximizing the use of business incentives, including tax exemptions and tax credits. Tony's achievements have earned him inclusion in Chambers USA Guide to America's Leading Lawyers for Business and The Best Lawyers in America (tax law).

Tony joined McAfee & Taft in 2019 following his retirement from the Oklahoma Tax Commission after 35 years of service, including 12 years in which he served as its executive director. Over the course of his illustrious career at the OTC, he also served as an attorney in the General Counsel's office, deputy director of the Motor Vehicle Division, deputy director of the Business Tax Division, and director of the Tax Policy and Research Division. As executive director from 2007 - 2019, he was responsible for managing the day-to-day operations of the agency, serving as its legislative liaison, and assisting in the proposal, drafting, review and analysis of tax legislation. In 2017, the Federation of Tax Administrators honored Tony with the Harley T. Duncan Award for his sustained and significant service to state tax administrators.
