Your Favorite Plan has been updated.

Indomethacin Order sentences have been updated

Click CONTINUE to review, update and then RE-SAVE as your Favorite plan

To ERASE your Favorite plan - Click Load Standard Catalog Plan

Continue Load standard plan Cancel

This pop up is to inform the user that there has been an upgrade to the base Power Plan.

To prevent this pop up from firing every time the favorited Power Plan is used, press 'Continue' and **RESAVE** the Power Plan as your favorite. This is found at the bottom of the Power Plan once it is ordered.
