

Brisso Jean Doriscan
Teaching Director

Brisso is the director and teacher of the New Life Discipleship bible study and public high school teaching program. He is a man after God's own heart, using his biblical knowledge and gift of teaching to share God's truths with the spiritually-hungry youth of Jacmel.

Brisso has served alongside Dave & Darlys since 2010 where he served as a translator at that time. He tended to be shy, yet loved the Lord. After intensely studying God's Word, it was evident in 2014 that God had placed a calling on Brisso's life to teach God's Word. He is now a passionate about spreading the Good News to young people and teaching them how to walk a victorious Christ filled life.

Brisso is married and has a 3 year old son.
