The 2020 Census consists of 12 easy, 'Yes' or 'No' questions. It does NOT include a question on whether one is a citizen. If you have employees, know someone who might not have replied to the 2020 Census, or can post a flyer on a bulletin board, download the Census Information flyer.

1. How many people were living or staying in this house, apartment, or mobile home on April 1, 2020?...Here, you'll count everyone living and sleeping in your home most of the time, including young children, roommates, and friends and family members who are living with you, even temporarily.
2. Were there any additional people staying here on April 1, 2020, that you did not include in Question 1?...Mark all that apply: Children, related or unrelated, such as newborn babies, grandchildren, or foster children; relatives, such as adult children, cousins, or in-laws; non-relatives, such as roommates or live-in babysitters, and people staying here temporarily.
3. Is this house, apartment, or mobile home ...Owned by you or someone in this household with a mortgage or loan (including home equity loans)? Is it owned by you or someone in this household free and clear (without a mortgage or loan)? Rented? Occupied without payment of rent?
4. What is your telephone number?...Why we ask this question: The Census Bureau asks for your phone number in case there are any questions about your census form. We will only contact you for official census business, if needed.
5. What is Person 1's name?...If there is someone living here who pays the rent or owns the residence, start by listing him or her as Person 1. If the owner or the person who pays the rent does not live here, start by listing any adult living there as Person 1. There will be opportunities to list the names of additional members of your household.
6. What is Person 1's sex?...Mark ONE box: male or female.
7. What is Person 1's age and what is Person 1's date of birth?...Note Person 1's age as of April 1, 2020. For babies less than 1 year old, do not write the age in months. Write 0 as the age.
8. Is Person 1 of Hispanic, Latino, or Spanish origin?...NOTE: Please answer both Question 8 about Hispanic origin and Question 9 about race. For this census, Hispanic origins are not races. Hispanic origin can be viewed as the heritage, nationality, lineage, or country of birth of the person or the person's parents or ancestors before arriving in the United States. People who identify as Hispanic, Latino, or Spanish may be any race.
9. What is Person 1's race?...Mark one or more boxes AND print origins: White; Black or African American; American Indian or Alaska Native; Chinese; Filipino; Asian Indian; Vietnamese; Korean; Japanese; other Asian; Native Hawaiian; Samoan; Chamorro; other Pacific Islander; some other race.
10. Print name of Person 2....Here, you will list the next person in your household.
11. Does this person usually live or stay somewhere else? ...Mark all that apply: no; yes, for college; yes, for a military assignment; yes, for a job or business; yes, in a nursing home; yes, with a parent or other relative; yes, at a seasonal or second residence; yes, in a jail or prison; yes, for another reason.
12. How is this person related to Person 1?...Mark ONE box; opposite-sex husband/wife/spouse; opposite-sex unmarried partner; same-sex husband/wife/spouse; same-sex unmarried partner; biological son or daughter; adopted son or daughter; stepson or stepdaughter; brother or sister; father or mother; grandchild; parent-in-law; son-in-law or daughter-in-law; other relative; roommate or housemate; foster child; other nonrelative.
