

**Emma Barton**  
**Director, Alliance & Integration Management | AstraZeneca**

Emma's key focus within the AstraZeneca Alliance and Integration Management team is divestment transitions, building divestment transition capability, major co-development and co-commercialisation partnerships and promoting best practise across the enterprise.

Emma joined AstraZeneca in 2000 and has spent over thirteen years in business development in various roles where she had experiences of diverse and varied deals including: mergers and acquisitions, spin outs, divestments, late stage licensing, early scientific led alliances and collaborations. With a keen interest in partnering and post-deal management, Emma is currently serving on the ASAP UK Chapter leadership team as Chapter President.

Emma holds a PhD in Organic Chemistry and BSC degrees in Chemistry and Biochemistry from Southampton University.
