

Community Input Survey

Your Voice Matters

*Survey feedback will be
used to create and
enhance community
programs to address
your health needs*

The Community Input Survey is an anonymous, five-minute survey that asks about your health priorities, what is going well and what should be improved in your community, and how COVID has impacted you and your family. The survey is intended for residents of Chicago and Suburban Cook County and is open to all ages. For more information about the survey, please visit our website or email Leah.Barth@iphionline.org. Thank you!
