### Hello, Pacific Symphony Volunteers!

Pacific Symphony loves celebrations and we think you do, too! That's why we are taking this entire week to celebrate you, our precious volunteers, and thank you for the richness of your service with us!

Here are some photos of our hard-working volunteers in action! Our volunteers help make so many of our events possible, from classical/pop concerts, to SummerFest, to Family Musical Mornings, to Lantern Festival and many more. We appreciate you and are looking forward to the time when we will all be together again!

Recently, I had the opportunity to hear Jason Mraz's song, Love is Still the Answer, and I was struck by how well it represented you and the way you enrich the lives of so many! Check out his song and the beautiful snippets of life in his video.

Love, Love, Love

The question I'll ask at the end of my days

Is what did I give and what will I take

There's only one answer that matters

Even if your heart and your dreams have been shattered  
Whatever you want, whatever you are after  
Love is still the answer  
Love is still the answer

With all the choices you have to fill your time and hearts, we are so glad that you have chosen us!!

### **Challenge of the day:**

For the challenge of the day, we have a word search with terms that describe our volunteers and/or musical terms! You can easily complete it online [here](#).

Remember to complete today's challenge and send it back to us. For the volunteers who complete all the games/puzzles/crosswords/projects that we send while we are away from the office, we will have a special surprise. So, keep watching for our twice weekly emails, show us your completed work and we will keep you on the list for your reward! If you missed our last email, a crossword, please let us know!

Stay well. Stay safe. Know that we miss you.

Warm regards,

Abby
