COLOR GUARD

Lexus Lyles

YPA Color Guard Instructor

MEET THE COLOR GUARD INSTRUCTOR

My name is Lexus Lyles and I am the new color guard instructor for the year of 2022 – 2023. I am currently in college at Winthrop University studying Social work with a minor in dance. In previous years, I have accomplished 6 years of color guard experience. It has helped me gain friends, hand-eye coordination, and an open mind of trying new things and thinking outside of the box. It is a lot of fun, however color guard is the kind of sport that requires a lot of hard work ethic put into overtime.

WHAT IS COLOR GUARD ALL ABOUT?

- ❖ Color guard is where music is brought to life through the colors of flag, soul of dance, and use of equipment like rifle, sabre, etc.
- ❖ It's the place where you develop connections and meet new people.

FUN FACT:

- ❖ Color guard has two seasons:
 - Marching band color guard
 - Winter guard
