

# New First Friday Series: Understanding Religion(s)

## *Introducing Talk-Back Tuesday!*

We are excited to launch a new series in our First Friday program! The emphasis will be on understanding religious diversity in the local community and beyond. The schedule for spring 2020 will begin with an introductory talk on different ways of understanding religion from a religious studies perspective. We will follow up with sessions in March, April, and May that focus on different varieties of religious expression.

Join us in the Seegers Union's GQ Annex on the Tuesday after each First Friday session for a facilitated discussion reflecting on that month's topic.
