

Love Morgans?

Would you like to receive the *NWMorganNews* each week? Especially designed to keep "Morgan Lovers" in "the loop", it's free and interesting. To be added to the *NWMorganNews* subscriber group you must e-mail Shelley, the editor, at SKEdling@aol.com, and simply give your first and last name and say "I would like to receive the *NWMorganNews*."

Here is what the *NWMorganNews* is:

It is not a club newsletter, it is a REGIONAL Morgan newsletter. Membership in a Morgan Horse Club is NOT necessary (although clubs in our Region would love to have you, wherever you are), and there is no subscription fee. The *NWMorganNews* is a weekly electronic newsletter that goes to over 500 Morgan folks, predominantly in the northwest (OR, WA, ID, MT, Canada) but also across the US and even outside the US!

We include member news (new foals, sad farewells, awards, farm happenings, etc.); club news (meeting notices, seminars, etc.); and nationals news items; also equipment and tack for sale; and, ALWAYS "Morgan Wanted" ads; but, no room for horse(s) for sale....too many!

Subscribers send me information in a form I can "copy and paste" - since I do have a busy life outside the newsletter! (Don't send flyers, articles, or other items for me to "edit.")

Sorry, no commercial advertising and no attachments - subscribers have a legitimate concern about SPAM and viruses.

I can add anyone to our subscriber list, then if they later decide they do not want to receive the mailing, all they have to do is tell me to please remove them from the group. Presto, it will be done!

The newsletter will always be to and from SKEdling@aol.com , so that subscribers can receive their letter by blind copy and have their privacy protected. The subject will always say *NWMorganNews*. Subscribers' addresses are not sold or shared.

This newsletter was started in mid-2000 in an effort to give a greater sense of "community" to the Northwest Morgan people; to promote Morgans; to increase membership and activity in the local clubs; and, to encourage support of all Morgans, their owners, clubs and Morgan functions.

Please send me a note and join the fun!

Shelley
