## MORGAN HORSES FOR SALE CONTINUED

**RDL Simplicity**, Ten year old, lovely **buttermilk Buckskin Morgan mare**, 15 hands, will be available in approximately September 2018 after we wean the foal she is currently carrying.

She is broke to walk, trot, and canter and has been shown in the past, but she does seem anxious when ridden and we are hoping to find her a home where she will be either cherished as a broodmare or re-trained to ride at a lower pressure pace. This mare is very sweet, levelheaded and calm on the ground, and loves attention. She is a full bodied, pretty girl with a strong pedigree, including Waseeka Showtime and UVM Gates. (Pedigree available at <http://www.allbreedpedigree.com/rdl+simplicity>).

Photos available on request, and you are welcome to visit her. We will reserve her for a deposit on the purchase price of \$3,000 when she is ready to go, and will accept the best offer and best fit for her as we get closer to the weaning date for her foal.

**Celebrity Glamor Girl**. This pretty mare is a 9 year old Stand and Deliver daughter out of a Waseeka's In Command granddaughter. We planned to keep her as our own show horse, but an impending move dictates that she find a new home. Priced well below her value at \$4,500.
