

MHAO

MHAO welcomes all Members of the Morgan community, wherever they live, whether they have a Morgan or just love Morgans.

MHAO helps us, the Morgan community, to promote our Morgans and provides educational opportunities to our members as well as the public, and encourages and supports members in their activities and with their goals.

We hope you will join us this year. We don't want you to miss out on any of the fun!

MHAO Offers:

- A USEF Class A Morgan show, the Oregon Morgan Classic, at the Oregon Horse Center in Eugene in June. Summer's best party! Come and join in the fun.
- Many Youth activities to educate and support our youth while they enjoy their Morgans.
- A monthly magazine, *The Stable Sheet*, sent via email, and an electronic newsletter shared with anyone who requests it.

- Instructional clinics and seminars. All welcome!
- A High Point Award Program for Morgan Shows, Open Shows/Events and member hours spent in non-competition endeavors, as well as an "Incentive Program" to defray member expenses.
- A website continually updated to keep all interested parties up to date on activities.
