Purpose

The Morgan Horse Association of Oregon (MHAO) Alexandra M. Mooney Memorial Scholarship is established to promote the values of learning, sharing, leading, volunteering and good sportsmanship inside and out of the arena. We do this by awarding an annual scholarship to MHAO members of any age in any discipline or career for college, trade or continuing education type classes. We want to support the expansion of knowledge, skills, or leadership ability for any of our members. Our goal is also to attract new youth to MHAO youth programs and activities and thus increase our club membership.

Eligibility

The MHAO Alexandra M. Mooney Memorial Scholarship is available to any member of MHAO at the time of application who is interested in pursuing a career in any discipline that a college degree, trade school or post-education program could enhance. This includes equine type education. High school graduates or returning and transfer college students are eligible. Any member of any age can apply. Recipients may apply more than once.

Award Amount

A \$500 scholarship may be awarded annually along with a gift of one 8" X 10" color photo with their Morgan shot by Howie Schatzberg or something equivalent.

Criteria

- Member of MHAO at time of application.
- Post-secondary education in any discipline, trade school, or class to enhance or teach a skill.
- GPA of 2.5 or GED equivalent score in high school or college.
- Official Transcripts from most recent school attended (High School, College & Trade School to date) if available.
- Two personal letters of recommendation are required. For recent high school graduates or recent college attendees, one of those letters needs to be from a current or previous teacher. Letters should be from a non-relative.
