COMMITTEE REPORTS

SHOW COMMITTEE – Karen Breckenridge

Awards have all been ordered including coolers and plaques. We will have a few more stalls available to us around the warm-up arena this year. Karen has \$13,575 pledged so far in sponsorships from exhibitors. No info yet on corporate sponsors. Asking for 2 bottles of wine from each Board member for sponsorship baskets. Karen & Kathy are working on the baskets. Looking for help with set-up Thursday at 4:30pm at the show for our Fiesta Party, celebrating our 25th year for OMC. Asking for help in getting corporate sponsors from all Board members.

HIGH POINT COMMITTEE – Erin Silver

Nothing to report at this point. Erin asked for a reminder to go out in the Stable Sheet that OMC counts double for high point. Erin will post about it on Facebook.

EDUCATION/SPRING CLINIC COMMITTEE – Patricia Carlson

Nothing new yet.

BANQUET COMMITTEE – Patricia Carlson

Patricia is looking for ideas. Considering a speaker, but that seems to make the event go too long.

COMMERCIAL SPONSORSHIP - Sarah DeFazio

Sarah has the things she collected at the Spring Clinic on behalf of OMC and will get them to Karen or Kathy before the show. This includes some signage, and items for the Silent Auction. None of those she has talked to want a vendor booth. All donations are items, not money. She has some things that can go into the sponsorship baskets.

HUMANITARIAN AWARD – Patricia Carlson

Nothing new. This year's award will be presented at the Oregon Morgan Classic.

EMERGENCY COMMITTEE – Kathy Christensen for Kim Moore

So far, nothing to report. Kim is worried about how dry it is.

YOUTH COMMITTEE – Camryn Nicholson & Sierra Breckenridge

We are looking for contestants for the Youth of the Year contest at OMC. Riding pattern and speech segments will be done virtually this year. Sierra still needs help at the show. Kathy asked those on the Youth committee to get in touch with Sierra for how they can help.

STALLION AUCTION COMMITTEE & Futurity Committee – Gay Adams

Looking for advertisers for the Futurity Booklet and for Sponsors to help fund the Futurity classes. This year's Stallion Service Auction came out way short of goal. We needed at least \$14,000 in bids, but only received \$7,200. Our target was \$20,000. Reasons given had to do with the economy due to the cost of gas, fertilizer, and hay. People pulled back this year. Seemed to be true for all the auctions. We don't have enough funds for prize money. Gay asked the Board if the SSA committee could keep all the funds from the auction this year rather than giving 60% of the net to the club as coverage for the cost of the classes. Gay had distributed the Committee Meeting notes about this to the Board prior to the meeting and had asked everyone to read them prior to the Board meeting. The SSA & Futurity committees are worried about the budget for MHAO this year, and know more fundraising will be needed for the club as a result of this request if approved. Gay will pursue sponsors for the futurity to help.

Motion was made by Kathy to let the SSA move all the money from the auction to the Futurity this year. 2nd by Patricia Carlson. Passed unopposed.

Gay mentioned we need to talk about a change in how the Futurity is funded going forward. Tabled for now.

PROMOTION COMMITTEE –Erin Silver

The Oregon Ag-Fest was great. We had a better location this year and kept running out of handouts. There was a lot of foot traffic and the weather was wonderful. We gave out about 800 handouts on Saturday, and another 400-500 on Sunday. The event broke records for attendance on Saturday.

Shelley submitted an article about us at this event to TMH. Erin, your work is much appreciated. This is a great place to promote the Morgan horse.
