

Dec 2019 meeting sees discussion concerning interest in having a PCSC presence at the local gun shows, possibly Dallas market hall even as well as Ft Worth Will Rogers location. To that end, i visited Michelle Finucane and she and Tim graciously offered a complimentary table presence at any of their gun shows...like we have done in the distant (decade or more) past. We'll keep this in mind as we find those members ready to enjoy a weekend present at a full on gun show. I look forward to the Market Hall show. Yes. That show draws from all over... Now we have to find the PCSC banner of long ago or make new one... A photo slide show for a laptop or projector onto a backdrop is easy to make...  
See you at the show !
