## A Message from Pastor Paul Forrey

Patricia and I are so thankful to share our lives with a congregation that lives out Christ's commission to strive for peace and abundance for all people in the wider community! We rejoice that our congregation is so active in ministries that directly benefit people. As I write this message we are putting together a Sunday bulletin that includes a thank you from the Family Resource Youth Service Center at the Middle School for the toiletries we collected and dropped off. Patricia and I helped prepare the food for the July Soup Kitchen ministry, and we helped out at the Isaiah House ministry on July 27.

Some wonderful opportunities for ministry are coming up in August. Our next date to serve as a support congregation for Family Promise of Northern KY is **Tuesday August 20**. Our congregation provides van-driver transportation from the Day Center to St. Joseph's Church in Cold Spring, dinner and evening hosts, overnight hosts, and van transportation the next morning. Family Promise is faith-based organization that provides shelter, meals, transportation and case management services to homeless families. The day center coordinates daily activities, ensures the children get to school and provides other essential social services.

On **Saturday August 17**, some of us will help with the Soup Kitchen ministry while others will lend a hand working with Housing Opportunities of NKY (HONK). HONK helps low-income families live in safe, quality housing. We have the opportunity to help rehabilitate houses and, through God's power, support families in need.

Each of these mission activities provides us not only with the opportunity to directly assist people in need, but to share our lives with people through fellowship and kindness. St. Paul tells the Christians in Rome, "Share with

the Lord's people who are in need.... Practice hospitality” (Romans 12:13). Paul's message is clear. First, we share some of the abundance God has given us with people in need. We serve people and lift them up. Second, we practice hospitality. This means that we give not only the gifts of our resources, but the gifts of our time, compassion, and friendship. We talk with the people that we serve and come to know and understand them, honoring the dignity of each person whom God loves.

Patricia and I hope that you will offer the gift of your presence and time at any or all of these mission activities of our congregation. May God bless all of us, and especially the people in need served by these rich ministries.

## **2019 Mid-year Financial Report**

Through the first half of 2019, giving to support the mission and ministries of our congregation totaled \$78,508. This figure is up 2.6% for the same period in 2018.

Should current giving levels continue, the finance team projects total 2019 giving to be \$157,000--\$160,000. At the same time, we project total expenses to come in under the 2019 budgeted projection, but we still forecast a giving to expense shortfall of \$10,000--\$13,000. We will provide updated information at the end of the third quarter 2019. The data tells us that we are not far off our financial targets for the year. If each of us steps up our weekly or monthly giving we can reach our goal of fully funding our ministries and missions for the year without drawing from our investment income!

We thank you for your faithful giving to support the ministries of St. Paul's United Church of Christ! We do so trusting that God will continue to turn our giving into good work that furthers Christ's kingdom. "Command them to do good, to be rich in good deeds, and to be generous and willing to share. In this way they will lay up treasure for themselves as a firm foundation for the coming age, so that they may take hold of the life that is truly life" (1 Timothy 6:18-19).
