THIRD ANNUAL HOMECOMING BASH
Saturday, September 9th
Crane Bay Event Center

Trinity Haven is Indiana's first and only safe, welcoming, and affirming home for LGBTQ+ youth experiencing housing instability. At Trinity Haven, young people learn how to navigate life on life's terms; increase their independent living skills; and advance their education, employment, and overall well-being.

Trinity Haven is an independent 501(c)3 organization, and we provide two housing options: a Transitional Living Program, which provides long-term housing (up to 24 months) with a capacity of 9; and a Host Homes Program, which provides a short-term housing option (approx. 6 months) with a capacity of 10.

OUR GOAL

Our goal is for residents to graduate into safe and stable permanent housing, with the skills to successfully sustain that housing.

WHY IS TRINITY HAVEN NEEDED?

LGBTQ+ youth homelessness is an invisible crisis in our city. All homelessness is tragic, but homeless LGBTQ+ youth are in deep and immediate peril. In the entire state of Indiana there has not been a single residential facility dedicated to the needs of this community - until now.

Here are some of the harrowing statistics:

- **40%** of all youth experiencing homelessness are LGBTQ+
- **68%** of LGBTQ+ homeless youth report that family rejection of their sexual orientation or gender identity is a major factor in their homelessness
- LGBTQ+ homeless youth are **7.4 times** more likely to experience acts of sexual violence than their non-LGBTQ+ peers and **62%** of LGBTQ+ homeless youth are physically harmed by others

WHY WE NEED YOUR HELP

Trinity Haven is a young organization serving a very vulnerable population with two housing programs, and we want to make them sustainable for years to come. Your financial support will help us do that, and we look forward to exploring what a partnership means to you!

With your support, Trinity Haven can be a model for Indiana, so that no LGBTQ+ youth have to face the threat of homelessness ever again.
