

The Florida EMSC Program is asking all 911-responding agencies to complete the first National Prehospital Pediatric Readiness Project (PPRP) Assessment. By hearing directly from you, Florida EMSC can better support your efforts to care for children in your community and tailor resources and opportunities to best suit the needs of Florida agencies.

As a thank you for the time spent completing the Assessment, Florida EMSC will provide your agency with a complimentary Florida EMSC PEDReady resource bag (estimated value \$75-\$100). Contents of the resource bag include:

- Communication cards
- Modified JumpSTART and START badge buddy
- PALS pocket card
- Newborn delivery resources
- Difficult Airway Course pocket card (adult and pediatric)
- Pediatric ECG card
- Pain management resources
- Pediatape (if requested)
- Distraction tools & more!

To begin the Assessment, visit the website below:

Get started now at: EMSpedsReady.org

This assessment will take about 30-40 minutes of your time but will only be conducted every 5 years. Your responses will be kept confidential and will be combined with results of other participating agencies for aggregate reporting purposes only. The deadline to complete the Assessment is **July 31, 2024**. Please see the accompanying one-page overview to learn more about the Assessment, including why it is important and frequently asked questions.

Thank you in advance for your time and support. For any questions and/or concerns, please email the Florida EMSC team at pedready@jax.ufl.edu.
