

Just In Time Training – Prehospital – November 9, 2022

15 Minute Refresher

Overview and Treatment of Bronchiolitis in the Field

Dr. Joe Finney, MD and Gina Pellerito, CCNRP, from St. Louis Children's Hospital review bronchiolitis and your treatment options in the field. The video is a 15-minute high-level refresher educational resource that can be found at the hyperlink below.

****Please note, regarding high flow oxygen, Dr. Finney stated "1-2 milliliters per kilogram" when he actually meant to say "1-2 Liters per kilogram". This was reviewed in the unrecorded session following the refresher overview. ****
