IMPLEMENTATION SCIENCE IN EMS WEBINAR

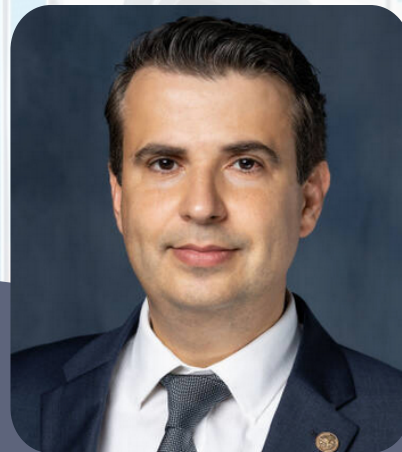

**A case-based discussion and
Q&A for prehospital professionals**

Bring your questions!

Lacey LaGrone, MD, MPH

Associate Clinical Professor of Surgery
Associate Director of Trauma Research
University of Colorado

Ramzi Salloum, PhD

Director, Learning Health System
Associate Professor of Health
Outcomes & Biomedical Informatics
University of Florida

Jennifer LeLaurin, PhD

Asst Director, Learning Health System
Assistant Professor of Health
Outcomes & Biomedical Informatics
University of Florida

12-1PM EST, MAY 7TH 2024

Target Audience

Prehospital professionals, including EMS clinicians, managers, and medical directors.

Learning Objectives

- Identify common implementation issues in prehospital medicine.
- 2. Learn about existing implementation strategies and tools to apply to everyday EMS practice.
- 3. Identify future areas of quality management and quality improvement initiatives that would benefit from an implementation science approach.

Disclosures

Speakers and planning committee have nothing to disclose.

Accreditation

The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit
