Save the Date!

The Georgia Association of Occupational Health Nurses is made up of health professionals across the State of Georgia that provide care for the health and wellness needs of employees. They blend knowledge of health and business with healthcare expertise in order to promote a safe and healthy work environment for employees while managing the overall health and safety of the workplace in a cost-efficient manner. As the largest group of health care providers serving the workplace, occupational and environmental health nurses positively impact the health and safety of people who work every day.

For this reason, plan to attend the GA Association of Occupational Health Nurses (GAOHN) Fall conference sponsored by Columbus GAOHN. This year's event will be held at the **Great Wolf Lodge, in LaGrange, GA**. We have scheduled some dynamic speakers lecturing on attention grabbing topics. Hope to see you there!
