

LUNG FORCE[™] EXPO

ATLANTA, GA | 09.28.17

Cobb Galleria Centre | Two Galleria Parkway

Every 5 minutes, a woman in the U.S. is diagnosed with lung cancer. And more than 33 million Americans suffer from lung disease.

Patients, caregivers and healthcare providers are invited to join the American Lung Association in Georgia at a forum to learn about the latest in treatments, medications, resources and research in lung cancer and other lung diseases to help those living with lung disease lead healthier, active lives.

Space is limited!
