

## PROGRAM COORDINATORS

### Kimon Bekelis, MD

Chairman, Neurointerventional Services, Catholic Health Services of Long Island

Director, Stroke and Brain Aneurysm Center of Long Island at Good Samaritan Hospital Medical Center

Co-Director, Neuro ICU, Good Samaritan Hospital Medical Center

Director, Population Health Research Institute of New York at Catholic Health Services of Long Island

Assistant Professor, The Dartmouth Institute for Health Policy and Clinical Practice

### Maddie D. Dalglish, MSN, AGACNP-BC

Lead Neurovascular Neurosurgery Nurse Practitioner, Stroke and Brain Aneurysm Center of Long Island at Good Samaritan Hospital Medical Center

## DIRECTIONS

### Stonebridge County Club

2000 Raynors Way, Smithtown, NY 11787

### FROM L.I.E. EAST OR WEST

Long Island Expressway to Exit 56 North. Travel north on Rte. 111, (Rte. 111 turns left at Jade Garden Restaurant), proceed to Rte. 347, make left. Stonebridge Country Club is on Rte. 347 approximately ¾ of a mile on the right-hand side. (Look for ZZs Grille)

### FROM NORTHERN STATE PARKWAY

Northern State Parkway East to the end onto Vets Highway 347/454. Make your way into the left-hand lane. After the 7th traffic light, make a U-turn (adjacent to Carvel). After making U-turn, get into the right lane. Stonebridge will be approximately 1000 feet on the right-hand side. (Look for ZZs Grille)

## TARGET AUDIENCE

Neurologists, Neurosurgeons, Emergency Physicians, Family Practice Physicians, Hospitalists, Advanced Practice Providers, Nursing, EMS responders and other health care professionals who want to enhance their knowledge of cerebrovascular disease processes

## OBJECTIVES

- Discuss updated AHA/ASA guidelines for management and treatment of ischemic and hemorrhagic stroke
- Secondary prevention of ischemic stroke including medical management and carotid revascularization
- Management of hemorrhagic stroke patients
- Treatment and management of cerebral aneurysms and review of latest technology
- Discuss disposition of stroke patients and the future of regionalized stroke care

This continuing nursing education activity was approved by Good Samaritan Hospital Medical Center, an accredited provider of the American Nurses Credentialing Center Commission on Accreditation for 6.6 CE contact hours. Must attend entire program with successful completion of evaluation in order to receive contact hours.

No relevant relationships with commercial interests.

St. Francis Hospital is accredited by the Medical Society of the State of New York to provide continuing medical education for physicians.

St. Francis Hospital designates this educational activity for a maximum of 6.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This continuing nursing education activity was approved by Good Samaritan Hospital Medical Center, an accredited provider of the American Nurses Credentialing Center Commission on Accreditation.

# AGENDA

CONTINENTAL BREAKFAST  
AND LUNCH  
WILL BE SERVED

**7:30 - 8:00 am** Check-In/Registration/Breakfast

### SESSION 1: ISCHEMIC STROKE

**MODERATORS:** **Kimón Bekelis**, MD, Chairman, Neurointerventional Services at Catholic Health Services of Long Island; **Bruce Mayerson**, MD, Chairman of Neurology at St. Catherine's of Siena

**8:00 - 8:10 am** Welcome

**Patrick O'Shaughnessy**, DO, MBA, FACEP, Executive Vice President and Chief Clinical Officer of Catholic Health Services

**8:10 - 8:20 am** Greeting by the American Heart Association/American Stroke Association

**8:20 - 8:50 am** Welcome and program overview of The Stroke and Brain Aneurysm Center of Long Island at Good Samaritan Hospital Medical Center  
**Kimón Bekelis**, MD, Chairman, Neurointerventional Services at Catholic Health Services of Long Island

**8:50 - 9:20 am** Advances in medical management of acute ischemic stroke • **Bruce Mayerson**, MD, Chairman of Neurology at St. Catherine of Siena

**9:20 - 9:50 am** New developments in endovascular treatment of ischemic stroke • **Maddie Dalgliesh**, MSN, AGACNP-BC, Lead Neurovascular Neurosurgery Nurse Practitioner at Good Samaritan Hospital Medical Center

### 10 minute Break

**10:00 - 10:30 am** Surgery for ischemic stroke: Does decompressive hemicraniectomy impact outcomes?  
**Symeon Missios**, MD, Neurosurgeon at Good Samaritan Hospital Medical Center

**10:30 - 11:00 am** Secondary prevention of ischemic stroke: The role of medical management  
**Bruce Mayerson**, MD, Chairman of Neurology at St. Catherine of Siena

**11:00 - 11:30 am** Secondary prevention of ischemic stroke: The role of carotid revascularization  
**Kimón Bekelis**, MD, Chairman, Neurointerventional Services at Catholic Health Services of Long Island

### LUNCH/SEMINARS/EXHIBITORS

**11:30 am - 12:00 pm** Lunch/Exhibitor Tables

**12:00 am - 12:30 pm** SEMINARS:

• Nursing care of the stroke patient • **Barbara Timpug**, RN, Neuroscience Nurse Educator at Good Samaritan Hospital Medical Center

• Key elements of neuro-rehabilitation for stroke patients  
**Tara McConnon**, DO, Chief of Physical Medicine and Rehabilitation at Good Samaritan Hospital Medical Center

• Pearls in identification of stroke in the field  
**Robert Bramante**, MD, Emergency Medicine at Mercy Medical Center

### SESSION 2: HEMORRHAGIC STROKE

**MODERATORS:** **Javad Ahmad**, MD, Co-Director Neuro ICU at Good Samaritan Hospital Medical Center; **Salvatore Insigna**, MD, Neurosurgeon at Good Samaritan Hospital Medical Center

**12:30 - 12:50 pm** Brain aneurysm awareness: How far have we come? • **Todd Crawford**, Founder and Executive Director of The Lisa Colagrossi Foundation

**12:50 - 1:20 pm** Critical care of hemorrhagic stroke patients • **Javad Ahmad**, MD, Co-Director Neuro ICU at Good Samaritan Hospital Medical Center

**1:20 - 1:50 pm** Minimal invasive approaches to ICH evacuation versus open surgery: What's the evidence?  
**Salvatore Palumbo**, MD, Neurosurgeon at Good Samaritan Hospital Medical Center

### 10 minute Break

**2:00 - 2:30 pm** Treatment of cerebral aneurysms in the era of dually trained neurosurgeons  
**Kimón Bekelis**, MD, Chairman, Neurointerventional Services at Catholic Health Services of Long Island

**2:30 - 3:00 pm** Transradial Approach for Neurointerventions. A New Frontier • **Pascal Jabbour**, MD, Chairman of Neuro-Interventional Services, Thomas Jefferson University, Philadelphia, PA

### 3:00 - 3:30 pm ROUND TABLE DISCUSSION:

- The current state of emergency disposition of stroke patients • **John Matthew**, MD, Emergency Medicine at St. Joseph's Hospital
- No LVO left behind: Making the comprehensive stroke center the nucleus of stroke care  
**Robert Bramante**, MD, Emergency Medicine at Mercy Medical Center
- Drip and ship is the future of regionalized stroke care  
**Jim Ryan**, MD, Emergency Medicine at St. Catherine's Hospital

**MODERATOR:** **Chris Raio**, MD, System Chairman, Emergency Medicine at Good Samaritan Hospital Medical Center

**3:30 pm** Closing remarks
