## EMT/Paramedic Program

### NAEMT's Psychological Trauma in EMS Patients (PTEP)

Sunday,  
Jan. 27<sup>th</sup>, 2019  
8:30 AM – 5:30 PM

Prehospital care providers are in an extraordinary position to prevent and mitigate psychological trauma in the patients they serve. Understand the neurobiological causes of stress and resultant symptoms. Learn four highly effective principles to assist traumatized patients and practice these in scenarios and simulations. How to address trauma symptoms in EMS workers will be part of this course. NAEMT certification and CAPCE credit are awarded upon successful completion.

This Course to be offered by the authors of this National Curriculum.
