VOTED APPROVED.

FRIENDS OF VANDERKAMP

Time was given for commissioners and corresponding members to offer their memories of Vanderkamp, their thoughts about its future, and their concerns about the processes and procedures that led us to this point in the life of Vanderkamp.

Several individuals offered their memories and input.

Resource Presbyter Karen Chamis offered a glimpse of stories she has received for the creation of a Vanderkamp memories website and encouraged more folks to reach out and share their stories.

This moment was a time of joyful memories, grief for the current reality of the camp, and needed critique of process that offered us a comprehensive view of how people were feeling and how we can assist with this transition.

FINANCE AND PROPERTY WORK GROUP

The following motion was made from the Finance and Property Work Group:

The Finance and Property Work Group of the Presbytery of Cayuga-Syracuse move that the property known as Vanderkamp located at 2 Vanderkamp Center (337 Martin Road) in Cleveland, NY, with an Oswego, NY County Tax Map Number of 298.00-03-22.02, encompassing 763.78 acres, be sold in conjunction with our judicatory partners. Representatives (one each from the Presbytery of Cayuga-Syracuse and the Utica Presbytery) from the Central New York Presbyterian Conference Center (CNYPCC, property owner) will sign the listing documents. When a vetted offer has been received the full Presbytery will vote to approve the terms and offer price.

Elder Bob Davenport offered a comprehensive look at the history, financial status, and properties of Vanderkamp including:

Historical Overview

Photographs of the Property

A report on \$84,000 spent by the three judicatories to resolve past debt

Ongoing Vanderkamp expenses of \$38,000 per year to be shared by the three judicatories

A summary of the appraisal of the Vanderkamp property with a realistic selling price of \$900,000 to \$1.1 Million

An explanation of the financial limitations and realities that make it impossible for the Presbytery of Cayuga-Syracuse to buy the property leading to the recommendation the join the partner judicatories in the sale of Vanderkamp.

Discussion on the motion ensued including questions related to limiting sale to similar camp programs or nature-based organizations, questions related to acreage and included buildings.

Commissioners and corresponding members were offered a chance to speak for or against the motion and several did so.

Minister Commissioner Beth Dubois called the question. **VOTED APPROVED**

The motion was put before the body. Moderator Weaver called for a moment of prayer preceding the vote. **35 Voted in Favor, 4 Voted Against. VOTED APPROVED.**
