

# **COFFEE AND DOUGHNUTS MEETS FINANCE AND PROPERTY!**

We'll supply the F&P.... you bring your own C&D!

Let's have a conversation about the financial future of the Presbytery.

Questions about direction?

The future per capita implications?

A strategic plan for the next 3 – 5 years?

If you have concerns or questions, please drop in via the Presbytery Zoom meeting beginning at 9 a.m. on March 14<sup>th</sup>. Members of Finance and Property will be on hand to answer questions (and ask a few of their own!). We'll close this gathering at 9:45 in order to prepare for the Presbytery meeting.

All are welcome!
