

Christian Nationalism:

Why It's Dangerous for Democracy and the Gospel

Christian nationalism has been all over the news lately, but many people don't know what it means or why it matters. This presentation will introduce what Christian nationalism is, how it works and why it poses a danger to democracy and to Christianity itself.

The event is sponsored by the Presbytery of Cayuga-Syracuse.

Please join us and invite others.

Our presenter will be: Dr. Greg Carey, Professor of New Testament at Lancaster Theological Seminary, where he has taught since 1999. His most recent books are "Death, the End of History, and Beyond: Eschatology in the Bible" and "Using Our Outside Voice: Public Biblical Interpretation." Greg has published in venues like the Christian Century, Religion Dispatches and The Huffington Post. He has appeared in documentaries with the BBC, PBS and the Discovery Channel.
