## Preparing for Lent

*A workshop for worship leaders and preachers*  
led by Rev. Allen Presby (HR)

The Lenten season provides powerful opportunities for preachers and worship leaders to lead their congregations to deeper faith. In this workshop we will examine the origins of our Lenten traditions, share themes and resources for Lenten preaching and programming, and visit 21st century Jerusalem in order to better understand what Jesus experienced during Holy Week back in the 1st century.

Come, join us, and walk with our Lord on his way to the cross ... and on to Easter morning.

**Saturday, February 15, 9:30 a.m. – 12:00 p.m.**

**Cost:** \$20.00. Includes Continental breakfast and mid-morning snacks.
