

## Meet Jen Cavanaugh

After being a proud Greenwich Crew parent for eight years, I am delighted to serve as a board member. Our son Duncan graduated from the program in 2020 and is rowing (virtually, for now) with the UPenn men's lightweight team. Our son Andrew is in his junior year at GHS on the men's varsity team. And our daughter Amelia is a GHS freshman on the women's novice team. 2019 was by far the most memorable year with the program as we celebrated our children winning medals at Youth Nationals, Northeast Youth Championships, U17 Nationals and the Head of the Charles, all while being alongside other Greenwich Crew parents, we love spending time with. It goes without saying that Greenwich Crew is an important part of our family's life — in these challenging times, now more than ever. We can't thank the coaches enough for all that they've done for our children and look forward to another great four years with the program.
