

## **ALEXANDRA WILKOWSKI**

My favorite memory of Greenwich Crew is when the team stood together after winning the team points trophy during Northeast Regionals in 2019. I remember how excited everyone was because it felt like the cumulation of all our work during the year had paid off. We all stood together, as one team, near the ledge and I remember feeling so proud to be a part of such an amazing team. In that moment, I realized that I was a part of something truly special.

I'm really looking forward to walking on the rowing team next year and to heading off to college! It's going to be strange not rowing for Greenwich Crew next year, but I'm excited for what the future holds! I'm also looking forward to regionals this year! Hopefully we can recreate my favorite memory!
